To Whom It May Concern:

We take great pleasure in confirming that The Oberoi, Mauritius has been reviewed and audited by Mr. Thomas Buehrmann, Chief Executive Officer of Seven Stars and Stripes, in October 2007.

The audit was conducted in the most thorough and professional manner. Mr. Buehrmann's knowledge and dedication to recognise the best of the best in luxury hospitality is outstanding. His approach and ambition was the motivating factor for The Oberoi, Mauritius to achieve the extraordinary and being awarded with 6 Stars and 7 Stripes.

Furthermore, we are confident that, under a sales & marketing aspect, the exposure and subsequent impact to a selected target audience, will be widely acknowledged and further enhance our reputation as the premier resort destination in Mauritius.
